# President's Report October 22

---

Hello Members and welcome to another month in the best club going.

We all learnt last month the sad news of the passing of a former club member Paul Candy. He was an all round good guy . Unfortunately, in September we have lost another with the passing of Max Moore. A long time member of our club and he has, as long as I can remember, served on the committee in one way or another. Not only on the clubs committee but on the GM Day committee as well. A well respected and well liked man. He was a very active member of the club he will be sadly missed by all of us. RIP Max.

Thanks to Stefan at 61 design for his extremely quick response to having condolence cards made at absolute no charge to the club. Please support his business in any way you can. And thanks to Justin M for organising these.

On a brighter note, after Geelong's win, I believe Rob (captain) is getting a full back Tattoo.

Spring is here we could have done with the nice sunshine on our run to Barney's bistro in Pomonal. They put on a fantastic meal and it was great to see some new members coming along and enjoying what our club has to offer. We had a little sunshine then the skies opened up giving us hail and a lot of rain but we all had a great time. Thanks to Rob W and team another great run. (See Rob's report elsewhere)

Well what an experience. A few members made the track up to Deni ute muster. Boys will be boys, not mentioning names, as what happens in Deni, stays in Deni. Shoeys, key bangers, circlework, bull riding, classic and feral utes – Deni had it all.

Hopefully the weather is on the up so we can enjoy our cars and the club. That's it for me, keep our club alive enjoy our events.

## **Red Dog Run Wednesday 28 September 2022**

We met at Maccas Lucas for a coffee and chat. About 10:30 it was decided it was time to head off to Beaufort and catch up with Linda and Ron Harris at the "Goods Shed". The urn was on for a tea or coffee and a biscuit. We were there in July, but it was good to have a second look around.

Then over the railway line into a very busy Beaufort to find somewhere for lunch. We were looked after at a busy Cafe in the main street.

### **Attendees**

Paul Furneaux, Paul Irvin and his friend Joe, John Preston, Graeme Henderson, Alan Darrell. David Trengove caught up for lunch after finishing sheep shearing.

Thanks to Paul Irvin for organizing the day and Linda and Ron for their hospitality.

### **Rob Whitten**

## **Club Run Pomonal Cruise Sunday 18 September 2022**

As seems to be the normal lately, we met at the Clubrooms in overcast and very threatening weather conditions. We headed off for our first stop, a coffee and toilet stop at Ararat. We needed a break after trying to dodge the many large "pot holes" along the Highway and drizzle didn't help.

We left Ararat for Pomonal and the sun nearly came out for a nice drive through the canola and green paddocks. On arrival at Barney's Bar and Bistro, we looked at the FJ Ute wreck and decided it was past it, so we went inside to be welcomed by Colin, and his boss Sue, and shown to the area set up for our club. Drinks were obtained and we ordered our meals and had a great chance to catch up, if you could be heard over the sound of the rain and hail on the tin roof.

Our meals arrived and they were "yummy"!

We said goodbye to the warmth and dry and went out into the weather for the short drive to Pomonal Estate- Winery and Craft Brewery. Our numbers were a bit higher than I booked for so they turned heaters on a back room, which we took over. We got our drinks and had another chance to socialize. The roof was solar panels, that did have some gaps to allow the continuing rain to leak in.

Members started heading off for the wet drive home. A new member had a problem and a few members stayed around till a replacement part was driven up from Ballarat and the problem was solved. Thanks to Peter Nikkleson for his diagnosis and Paul's head under the bonnet and the Dicksons for keeping us company, also the hospitality of the staff at both Barney's and Pomonal Estate.

I have to say "It wasn't a nice drive home"!

As "Run Co-ordinator" I don't know if I can say this BUT, I think it was one of our best runs. The weather was !!!!! and not one person cancelled and being on the run was more important that what car you drove .When problems arose "We left no-one Behind" and I believe we got some new members.

Thanks all-round. Great day and we have a great club and members..
