President's Report November 22

Welcome everyone to our last meeting of the year!
Hasn't this year flown by?

It's been a difficult year with so many events being cancelled due to everything from COVID restrictions to flooding rains but as a club I feel we have made the most of a difficult year.

Thanks to our Run Committee of Rob and friends who have given us plenty of opportunities for some fantastic runs to get our cars out. Last month we had our Memorial Run and it was an absolute pleasure to be hosting this day at our place in Mount Edgerton. We had a cruise to the Ballarat Vintage and Collectable Market for a coffee and a look around to see what we could find. From there we headed off to our place for a look through my shed and enjoy a fantastic BBQ while also appreciating each other's company and remembering our club members we have lost over our club's journey.

The weather was perfect for the entire day until an hour or so after the last club members left. The skies opened given us an absolute dumping of rain. The dam was a river leaving me chasing fish through my paddock.

Our barrel draw was taken out by the lucky Jim Hare taking home 30 cans.
Thanks to Justin Mitchell for supplying us with the barrel prizes. It is much appreciated.

This month we have our Christmas Party on Sunday 10 December 2023 at the Clubrooms from 4pm. I hope to see you there to enjoy a great feed and catch up with other club members. It is always a great day.

Stay safe everyone over the Christmas and New Year.
Have a fantastic Christmas and New Year with your family and friends. I will be looking forward to seeing you all in 2023.
MERRY CHRISTMAS

Memorial Run

We met on a very overcast morning at the Clubrooms for one of our important runs for the year. The Memorial Run is to remember past members and the important part they have played in the formation of our great Club. This year we lost past member Paul Candy and a very active member Max Moore.

We left the Clubrooms and drove out to the Ballarat Vintage and Collectable Market at Warrenheip to grab a Coffee and look around at the collectables. They can charge a lot for old 'stuff' we threw out years ago, but it was well worth the look around.

The weather was still holding, and the sun was trying to peak through as we headed off to the Dickson's at Mount Egerton. Sharelle and Jeff have got their property looking magnificent. We had a look around, had a chat and before we knew it the Catering Committee had our BBQ lunch ready.

A great day and the weather held off till we were on our way home. Thanks, Dicksons for making us feel so welcome and the Catering Committee for all their hard work.

Most importantly to the club's future was all the children who played so well and had a great day.

How lucky were we to get the day done?

Mount Egerton had 80 odd ml and Smythesdale had close to 50 ml of rain across Sunday to Monday.

Jeff said we will all join the Memorial List at some stage, and I agree but the MAIN thing is to get out with friends; use our great cars and make the most of this GREAT Club.

Rob Whitten.
