# President's Report August 2023

---

G'day everyone hasn't the last 12 months flown by. Another AGM is here.

I would like to thank the entire committee, you guys and girls have been fantastic in supporting me through the past 12 months. I thank you all.

One huge thank you to Jim Hare. Since I joined the club Jim has been on the committee on all different levels from Catering, General Committee, Secretary, Vice President, and the President. He has played a hugely positive role in shaping our club. Unfortunately, he will not be running for a position this coming year. Thanks again Jim. You are a legend!

Thanks to all our club members you have all been so supportive and made it so easy to be President.

Last month's run was another hit with a drive to the Mill Market Daylesford for a coffee and look around. The drive continued to Trentham, Blackwood and to lunch at the Plough Hotel Myrniong. It was a fun trip with a navigational question sheet to be answered. This gave us all a good laugh so thank you to the organisers for this one. A job well done!

It's looking like our weekend away to Charlton is shaping up to be a big weekend. So far, we have 33 adults coming along. It is going to be a fantastic weekend. The details of the weekend, if you would like to join us are further along in the newsletter. The more the merrier!

Thanks to Lisa Mitchell for the quality newsletter, you keep providing us all with.

Good luck to the new committee.

Jeff Dickson  
President

## Club Run July 2023 Christmas in July

---

A great crowd of enthusiastic club members met at the Club Rooms on very cold and wet day - Sunday 9 July 2023 to participate in the monthly club run. This month we celebrated the cold months with a Christmas in July Pub Lunch and Car Trial.

Before heading off everyone collected their Car Trial questions and Justin explained the rules of engagement. There were prizes to be won but we were not playing for sheep stations. Remember to pick a team name and use your best handwriting as we needed to be able to read your answers.

We all headed off starting our questions on Brewery Tap Road (Do you know what number Brewery Tap Road the Boswegers live at?) and off onto the winding roads heading towards Daylesford with many questions to answer on the way to keep us all amused (Do you know the name of the weather board church on the left hand side of the road on the other side of Newlyn?). The roads were slippery, there were potholes to contend with and it rained but the crew drove on towards Daylesford, the Torana leading the way and the VZ Ute at the tail of our row of Holdens including Team Dick – 2 Dicks in the Ford Race Car. Everyone kept to car run etiquette, we did not lose anyone on the way or succumb to potholes.

Our Morning Tea stop was the Daylesford Mill Market (What is the name of the of the historical marker near the Mill Market?). The morning tea stop was a chance for a coffee | cake and to do a bit of vintage shopping and maybe find the perfect addition to your favourite collection. (How much is a coffee at the Mill Market?).

We headed off to our next destination as the clock struck midday with our treasures in hand. We drove through Daylesford and headed towards Trentham (What should you watch out for on the roads from dusk to dawn?) We continued along the winding and hilly roads through the Wombat State Forest towards Greendale (What beer is on tap at the Greendale Pub?) and onto Myrning to our destination of the Myrning Pub.

The pub provided a cosy room with an open fire for our lunch, and we had some members join us at the pub after the drive across the hills. Suzanne and Lisa tallied up the winners of the Car Trial, it was a very close competition. There was half a point in it!

**WINNER** – The Gray Team – Graeme and Tash Gray

**2<sup>nd</sup> PRIZE** – Coupe d'état – Peter and Robyn Nikkelson

**3<sup>rd</sup> PRIZE** – The Jolly Rogers – Murray and Catherine Murray

**WOODEN SPOON** – Loner – Bernie

**BEST TEAM NAME** – Pothole Dodgers – Mark and James Davies 9

Thanks to Mal and Jo Laurie (or Team Dick as they would now like to be known) for adding a question to our Car Trial – Did anyone else see Daryl Kerrigan walking his greyhounds in Dean? How many greyhounds were there? (Turns out four was the answer!). The winning table won a delicious bag of lollies from the Ballarat Candy Company.

Everyone enjoyed their lunch as there was much to choose from on the menu and a drink (Lisa and Suzanne enjoyed the Sparkling Rose after the hard work of corrections!) before heading off home. There were well over 40 happy drivers and passengers who joined in across the drive, Car Trial and lunch. There were some fabulously amusing team names and answers to the Car Trial questions. It was great to have so many come out on a very cold and wet day.

# 22nd HD HR Nationals 2023

---

The 22nd HD HR Nationals were held in Benalla from 9-11 June 2023. It was a great event right from the start. On Friday night there was a meet and greet BBQ to collect your goody bag with the weekend's program. Saturday was the Show and Shine with 132 HD and HRs on display. What a sight!

The Benalla Shire welcomed the event with open arms. On Saturday night there was a presentation dinner, with so much food. Our club had 2 cars entered, Peter Bingley with his beautiful HR X2 entered in the Era sports and myself with my unrestored HR ute. We both came first in our classes bringing home the chocolates! Great result all round.

It was a fantastic day and night. On Sunday morning we met at the Benalla Aerodrome to visit the Aviation Museum complete with bacon, eggs and coffee. It was a fantastic little museum. From there we headed off on a cruise around the Silo Art Trail. This was a buzz with around 120 cars on the cruise. What a sight it was! After the cruise we headed to Winton Raceway for a parade lap, unfortunately when we got there the TV crew would not allow us on the track.

This event was so well organised from the get-go. Our program was informative with QR codes throughout the booklet to guide you through the event. The major sponsor was a Ballarat business - Wiltshire Auto Repairs.

Well done to the HD HR Club of Victoria for a well organised and successful event.

# Club Run Etiquette

---

There is nothing better than sharing our love of cars with a group of likeminded enthusiasts out on the road, and we encourage all members to join us on our club runs. You can come along in any car, it doesn't need to be old, and it doesn't even need to be a Holden. It's about getting out as a group and enjoying each other's company, not about what we're driving.

However, there are a few simple protocols to ensure everyone has a good day...

- Always RSVP to the Run Coordinator and let them know if you change your mind. It's helpful to know how many are expected and saves the group waiting around for a no-show who's changed their mind.
- Listen to the pre-run briefing to get a basic understanding of the route and more importantly the destination. Blindly following the car in front is great - while they're there.
- If the weather forecast issued the night before a run is over 35 deg C, then the run will most likely be cancelled. Keep an eye on the App for any updates.
- Get to the departure point on time – or phone ahead if you're going to be late.
- Out on the road, work off the car behind, not the car in front. In other words, keep the car behind in your mirrors and adjust your speed accordingly. Don't try to catch up to the car ahead. This helps ensure the group stays together.
- Make sure the car behind has seen you when turning a corner - wait at the turn until the car indicates before continuing, then they will wait for the next car etc. Don't be concerned about losing contact with the car in front, as they should be looking out for you.
- Leave a reasonable gap between you and the car in front so that other motorists can overtake if they wish.
- If you're joining us on route, make sure the Run Coordinator knows of your pickup point to ensure we take that route. Also be ready to roll as the convoy approaches.
- We don't leave anyone stranded on the road - if you lose sight of the car behind, pull over and wait. If they don't appear, turn around to render assistance.
- Always follow the car in front. If you think they've taken a wrong turn then let's all take the wrong turn. It's better the club gets lost together than splits up in all directions – it also saves the person behind you having to make a split decision as to who they trust the most!
- Remember it's a club run, not a club race. If there's a tired old grey in front, so be it - enjoy it for what it is. Who cares if you're late in your 308.
- Generally, the return trip from the destination is up to you – but let the 'Run Coordinator' know when you're heading off.

Following these simple pointers will help ensure everybody has a good day – together!
