President's Report September 2023

HAPPY 18TH BIRTHDAY TO TC HOLDEN MAN Tom Campbell!

What a cracker of a club run we had for August we went to Metcalf Holden museum via Queensland. Maybe via the map below!
Some of us did get a little lost.
That just adds to the days adventures.

We had a fantastic lunch at the Five Flags Hotel Campbells Creek Those guys know how to do lunch— great service, friendly and great food. Best of all the company of our club members is always fantastic.

Thanks to the new committee for putting your hands up to help run this fantastic club with some new faces, as well as most of the old committee.

I'm looking forward to the next 12 months as this club is going extremely well . Thanks to the members for allowing me to be the president for another year. We certainly have the best club with fantastic members . Thanks everyone!

Jeff Dickson
President

Club Run August 2023

Metcalfe Holden Museum/Campbells Creek Lunch

Our day started at the BP Truck Stop due to drainage works at clubrooms. Weather clearing and no rain in site, we headed off.

There were 19 vehicles and 29 members who headed towards Creswick by passing Gillies road with large potholes. On the way through Broomfield picking up Hendo and his EH.

Apologies up front I am guilty of a bless me father moment which resulted in three cars finished up on a gravel road.

On arrival at the museum we all learnt there were three ways to get to Metcalfe. It was almost a choose your own adventure!

You can drive:

- Via Creswick / Newstead / Castlemaine / Chewton
- Via Castlemaine / Chewton
- Vis Daylesford / Malmsbury and the gravel road

All was forgiven when there was coffee and tea, scones and cream, and a fruit platter for morning tea. There were lots of cars and memorabilia to enjoy and many weathered Holden models outside and more locked away inside.

We enjoyed plenty of NOS parts and posters around the shed. If that wasn't enough up stairs there was a room half the size of the big shed, with more posters, sales pamphlets, badges and parts. John Lee was happy to answer any questions.

After all being Holdened out we were off half an hour down the road to the Five Flags Hotel at Campbells Creek Hotel for lunch. There were no complaints about lunch and it was great company.

Members headed off at their leisure and made their own way home.

It was good to see Nigel, Brian and Mick join our run. Craig finding his keys made sure the Club Sports got a run, but I think Mick's HQ Coupe got more looks.

Thanks to the Lee, John, Cathie and Jason they made it a great day for this month's club run.

Club Run Etiquette

There is nothing better than sharing our love of cars with a group of likeminded enthusiasts out on the road, and we encourage all members to join us on our club runs. You can come along in any car, it doesn't need to be old, and it doesn't even need to be a Holden. It's about getting out as a group and enjoying each other's company, not about what we're driving.

However, there are a few simple protocols to ensure everyone has a good day...

- Always RSVP to the Run Coordinator and let them know if you change your mind. It's helpful to know how many are expected and saves the group waiting around for a no-show who's changed their mind.
- Listen to the pre-run briefing to get a basic understanding of the route and more importantly the destination. Blindly following the car in front is great - while they're there.
- If the weather forecast issued the night before a run is over 35 deg C, then the run will most likely be cancelled. Keep an eye on the App for any updates.
- Get to the departure point on time – or phone ahead if you're going to be late.
- Out on the road, work off the car behind, not the car in front. In other words, keep the car behind in your mirrors and adjust your speed accordingly. Don't try to catch up to the car ahead. This helps ensure the group stays together.
- Make sure the car behind has seen you when turning a corner - wait at the turn until the car indicates before continuing, then they will wait for the next car etc. Don't be concerned about losing contact with the car in front, as they should be looking out for you.
- Leave a reasonable gap between you and the car in front so that other motorists can overtake if they wish.
- If you're joining us on route, make sure the Run Coordinator knows of your pickup point to ensure we take that route. Also be ready to roll as the convoy approaches.
- We don't leave anyone stranded on the road - if you lose sight of the car behind, pull over and wait. If they don't appear, turn around to render assistance.
- Always follow the car in front. If you think they've taken a wrong turn then let's all take the wrong turn. It's better the club gets lost together than splits up in all directions – it also saves the person behind you having to make a split decision as to who they trust the most!
- Remember it's a club run, not a club race. If there's a tired old grey in front, so be it - enjoy it for what it is. Who cares if you're late in your 308.
- Generally, the return trip from the destination is up to you – but let the 'Run Coordinator' know when you're heading off.

Following these simple pointers will help ensure everybody has a good day – together!
